Approximate Libby Health Care Income Summary

	Source	Amount	Comment
HERSA Grant	HHS	\$600,000	A grant for community wide health services for “medically underserved” communities. Not specific to asbestos care.
LAMP	EPA Access Settlement	\$2,750,000	Grace paid a penalty in the access case. This money was put into a special account administered by the “Libby Area Medical Plan,” a local non-profit
“Grace Plan”	Grace/HNA	Unknown	W.R. Grace set up an insurance plan to pay for asbestos care for “certified” asbestos victims receiving “certified” asbestos care. They administer this through “Health Networks America.” However, HNA currently rejects a bit more than 50% of the submitted claims.
Grace Hospital Donation	Grace	\$250,000/yr	Since 2000, W.R. Grace gives St. Johns Lutheran Hospital an annual donation which the hospital uses as general revenue (not specific to asbestos care).
Insurance/Direct Fees	The Market	Unknown	Approximately 30% of Lincoln county residents have no insurance, and many who do have insurance have coverage that specifically excludes asbestos related diseases.
